# Overtime

Overtime is a small, light desk with a slim and yet curvy shape, which makes it easy to place in most surroundings. Order is of course also important. Light- and computer cables may be discretely stowed away in a clever shelf, the drawer underneath the desk top holds the most important when it comes to writing material.

Overtime är ett litet nätt skrivbord på samma gång slankt och kurvigt i formerna, vilket gör det lättplacerat i de flesta miljöer. Ordning och reda är förstås också viktig. Lamp- och datorsladdar kan diskret stivas undan i en smart liten hylla, lådan under skrivbordsskivan rymmer det mest nödvändiga vad gäller skrivdon.
