dB Pillar

Design Thomas Bernstrand

The dB Pillar is filled with sound-absorbing waste fabric from Abstracta's factory in Lammhult. As a result, the product contributes to Abstracta's long-term goal of achieving a circular production process.

Materials and sustainability

dB Pillar is available as a desk, stool and pillar with various functions and appearances, e.g. newspaper rack with planter on top. All products in the series feature electric outlets and are available in lots of different fabrics and colours.
