AD1 BENCH

FUNCTIONAL BENCH IN A SIMPLE DESIGN

The AD1 bench, designed by the Andersen Design Team, is a classic bench with a clean, Scandinavian look embedded in its beautiful legs in solid oak. The seat is available in either laminate or finger jointed oak.

A bench is a good alternative to chairs for a more informal look. The AD1 bench goes perfectly with the AD1 table, but can also be used with other types of tables, or on its own in a waiting room or similar context.

The bench is ideal for informal meetings and in canteens/ common rooms.
