

LAB X & Z

Design: Harri Korhonen

LAB XA

LAB XB

LAB ZA

LAB ZB

Lab X and Z chairs are continuation to the cozy convention of the Lab table and chair series. The softness of the chair has been created through a plain quilted seat. The cross-legged Lab chair is available with a 4-star base with glides and optional swivel mechanism (X) or 5-star base with wheels or glides and a height adjustment mechanism (Z). With or without armrests.
