

JARMAN

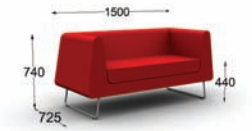

Design: Steinar Hindenes

Jarman A1

Jarman A2

Jarman A3

Jarman table

Jarman family consists of a lounge chair, 2- and 3-seater sofa and a sofa table.
The designer's fundamental idea was to design a rectangular, square and cubic sofa with a softer look in appearance and detail.

Due to its plain and logical design and different upholstery possibilities Jarman fits both into modern public interiors and private homes.
