BASSO

Design: Harri Korhonen

A streamlined chair with remarkable sitting comfort, Basso is a distinguished family of meeting chairs. Basso creates discreet reliability and even playful ambiance particularly in meeting rooms. It has a lumbar support embedded in the steamlined profile. The upholstered armrest protects the egde of the table top.

Basso is available in three sizes (M, L and XL) with a 4-star cross leg (X) or a 5-star cross leg with wheels and gaslift (Z). Optional armrest.
