Oka-A

The ceiling hung coat rack hangs from the ceiling with a steel wire. It rotates and moves sideways, doesn't take floor space and makes cleaning much easier. Equipped with 6 rotating hooks and a height adjustment mechanism.

Material: Chromed steel and polyurethane
Standard colours of hooks: White, dark grey, lime green and orange

Oka C3 & C5

The wall attached Oka coat rack is available with either 3 or 5 hooks. Because of the very small width, there is a good possibility to use it in narrow areas like i.e. pillars. It works as well in larger rows or groups.

Material: Chromed steel and polyurethane
Standard colours of hooks: White, dark grey, lime green and orange

C3

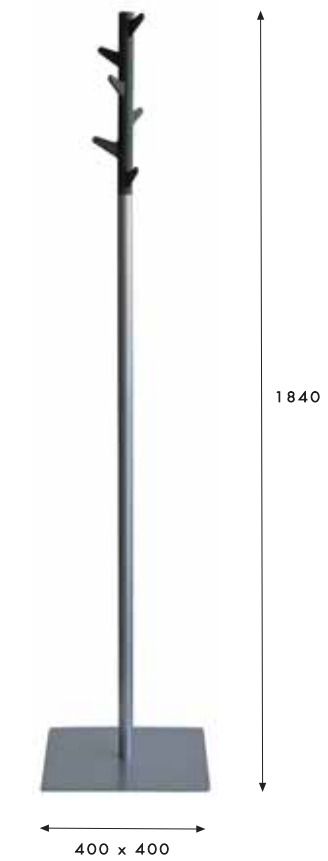

C5

Oka-B

The freestanding coat rack is equipped with 6 rotating hooks and a square base. Because of its fresh and young formlanguage it is easy to achieve friendly looking environments. The coat rack works as well in single units spread at larger areas or in more compact dynamic groups.

Material: Epoxy coated steel and polyurethane
Standard colours of frame: White, black and aluminium.
Colours of hooks: White, dark grey, lime green and orange
